

CHAPTER 52

IOWA COMMUNICATIONS NETWORK — LAW ENFORCEMENT COMMUNICATIONS SYSTEMS INCLUDED

H.F. 467

AN ACT including law enforcement communications systems within the scope of state communications included in the Iowa communications network.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 8D.2, subsection 6, Code 2017, is amended to read as follows:

6. “*State communications*” refers to the transmission of voice, data, video, the written word, or other visual signals by electronic means but does not include radio and television facilities and other educational telecommunications systems and services including narrowcast and broadcast systems under the public broadcasting division of the department of education, or the department of transportation distributed data processing and mobile radio network, ~~or law enforcement communications systems.~~

Approved April 12, 2017
